15. Unless clearly shown as "no substitute" or words to that effect, any items in this invitation to Bid which have been identified, described or referenced by a brand name or trade name are for reference only. 19. All successful Bidders must assume full responsibility for replacement of all defective or damaged goods within thirty (30) days of notice by Fulton County of such defect or damage.
20. All successful Bidders must assume full responsibility for providing or ensuring warranty service on any and all items including goods, materials, or equipment provided to the County with warranty coverage. In instances where a Bidder has never supplied such goods, material, equipment, or services before, the Bidder must submit with the Bid response a statement and supporting documentation demonstrating such expertise, knowledge, or experience to establish the Bidder as a responsible Bidder, capable of meeting the Bid requirements should an award be made. No exceptions to this provision will be made unless authorized in the Bid specifications.
24. Bidders may be required to furnish evidence that they maintain permanent places of business of a type and nature compatible with their Bid proposal, and are in all respects competent and eligible vendors to fulfill the terms of the specifications. Fulton County may make such investigations as it deems necessary to determine the ability of the Bidder to perform such work, and reserves the right to reject any Bidder if evidence fails to indicate that the

Bidder is qualified to carry out the obligation of the Contract and to complete the work satisfactorily.

25. All Bidders must comply with all Fulton County Purchasing laws, policies, and procedures, non-discrimination in contracting and procurement ordinances, and relevant state and federal laws including but not limited to compliance with EEOC hiring guidelines and requirements under the Americans with Disabilities Act. Successful Bidder must obtain all permits, licenses, and inspections as required and furnish all labor, materials, insurance, equipment, tools, supervision, and incidentals necessary to accomplish the work in these specifications.
26. If a successful Bidder is unable or unwilling to enter into a Contract with Fulton County subsequent to being granted an award, or who fails to perform in accordance with the Bid specifications the Bidder will be subject to damages and all other relief allowed by law.
27. Successful Bidders contract directly with Fulton County and are the party or parties obligated to perform. Contracts may not be assigned and any failure to perform the Contract in accordance with the specifications will constitute a breach of Contract and may result in a Bidder being found to be “non-responsive” in the future.
28. In case of default by the successful Bidder, Fulton County may procure the articles for services from another source and hold the successful Bidder responsible for any resulting excess cost.
29. The County may award any Bid in whole or in part to one or more vendors or reject all Bids and/or waive any technicalities if it is in the best interests of the County to do so. In the event that all Bids are not rejected, Bids for items including goods, materials, equipment, and services will be awarded to the lowest “responsible” Bidder(s) as determined by Fulton County. Submitting the lowest Bid, as published at the Bid opening, does not constitute an award or the mutual expectation of an award of a Contract and purchase order. For purposes of this notice and the attached Bid sheets, a purchase order is a Contract to provide items including goods, materials, equipment, and services and is intended to have the full force and effect of a Contract. A breach of the terms and conditions of a purchase order constitutes a breach of Contract.
30. Bids for projects that are solicited pursuant to the Georgia Local Government Public Works Construction Law (O.C.G.A. § 36-91-1 et seq.) may withdrawn as follows:

Competitive sealed Bids (“Bid”) may not be revoked or withdrawn until 60 days after the time set by the governmental entity for opening of Bids. At the end of this time period, the Bid will cease to be valid, unless the Bidder

provides written notice to the County prior to the scheduled expiration date that the Bid will be extended for a time period specified by the County.

31. In the evaluation of the Bids, any award will be subject to the Bid being:
 - A. Compliant to the specification – meets form, fit, and function requirements stated or implied in the specification.
 - B. Lowest cost to the County over projected useful life.
 - C. Administratively Compliant – Including all required bonds, insurance, established quality of work and general reputation, financial responsibility, relevant experience, and related criteria.

The Utility Contractor License number of the person who will perform the utility work shall be written on the face of the Bid envelope.
34. The apparent silence of this specification, and any supplement thereto, as to details, of the omission from it of a detailed description concerning any point, will be regarded as meaning only the best commercial practices are to prevail. Only materials of the highest quality, correct type, size, and design are to be used. All interpretations of this specification will be made upon the basis of this statement, with Fulton County interpretation to prevail.
35. It is the policy of Fulton County that the evaluation and award process for County contracts shall be free from both actual and perceived impropriety, and that contacts between potential vendors and County officials, elected officials and staff regarding pending awards of County contracts shall be prohibited.
 - A. No person, firm, or business entity, however situated or composed, obtaining a copy of or responding to this solicitation, shall initiate or continue any verbal or written communication regarding this solicitation with any County officer, elected official, employee, or designated County representative, between the date of the issuance of this solicitation and the date of the County Manager’s recommendation to the Board of Commissioners for award of the subject contract, except as may otherwise be specifically authorized and permitted by the terms and conditions of this solicitation.

- B. All verbal and written communications initiated by such person, firm, or entity regarding this solicitation, if same are authorized and permitted by the terms and conditions of this solicitation, shall be directed to the Purchasing Agent.

36. Any Bidder intending to respond to this solicitation as a Joint Venture must submit an executed Joint Venture Agreement with this Bid. This agreement must designate those persons or entities authorized to execute documents or otherwise bind the Joint Venture in all transactions with Fulton County, or are accompanied by a document, binding upon the Joint Venture and its constituent members, making such designation. Bids from Joint Ventures that do not include these documents will be rejected as being “non-responsive”.
37. Any Bidder intending to respond to this solicitation must complete all of the Procurement Affidavit Forms provided in this solicitation. Bids that do not include these completed documents will be rejected as being “non-responsive”.

CERTIFICATION REGARDING DEBARMENT

- (1) The Offeror certifies that neither it or its subcontractors is presently debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from doing business with any government agency. Any such exclusion may cause prohibition of your firm from participating in any procurement by the Fulton County Government.
- (1) If the Offeror is unable to certify to any of the statements in this certification, such Offeror or subcontractor shall attach an explanation to this bid or proposal.

INSTRUCTIONS FOR CERTIFICATION

By signing and submitting this certification, the Offeror is providing the certification set out below:

- (1) The certification in this clause is a material representation of fact upon which reliance will be placed. If it is later determined that the prospective vendor knowingly rendered a false certification, the Purchasing Agent may pursue all available remedies, including suspension and/or debarment, for withdrawal of award or termination of a contract.
- (2) The prospective Offeror shall provide immediate written notice to the Purchasing Agent if at anytime the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (3) Offeror shall be under a continuing duty to immediately inform the Purchasing Agent in writing of any changes, if as a result of such changes, the Offeror certification regarding debarment is affected.

DEBARMENT ORDINANCE

The following Section 2-322 of Fulton County Code of Laws establishes the procedure for the debarment of contractors.

(a) *Authority to suspend.*

After reasonable notice to the entity involved and reasonable opportunity for that entity to be heard, the Purchasing Agent, after consultation with user department, the County Manager and the County Attorney shall have the authority to suspend an entity for cause from consideration for award of county contracts. As used in this section, the term entity means any business entity, individual, firm, contractor, subcontractor or business corporation, partnership, limited liability corporation, firm, contractor, subcontractor or business structured; provided, further, that any such entity shall also be subject to suspension under this section if any of its constituents, members, subcontractors at any tier of such entity's and the entity, or any constituent or member, knew or should have known of the commission of the act. The suspension shall be for a period not to exceed three (3) years unless cause is based on a

felony conviction for an offense related or associated with fraudulent contracting or misappropriation of funds wherein the suspension shall not exceed seven (7) years.

(b) *Causes for Suspension.* The causes for suspension include:

- 1) Conviction for commission of a criminal offense as an incident to obtain or attempting to obtain a public or private contract or subcontract, or in performance of such contract or subcontract;
- 2) Conviction of state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property or other offense indicating a lack of business integrity or business honesty which currently, seriously and directly affects responsibility as a county contractor.
- 3) Conviction of state or federal anti-trust statutes arising out of the solicitation and submission of bids and proposals;
- 4) Violation of contract provisions, as set forth below, of a character which is regarded by the Purchasing Agent to be so serious as to justify suspension action:
 - a. Failure to perform in accordance with the specifications within a time limit provided in a county contract;
 - b. A recent record of failure to perform or unsatisfactory performance in accordance with the terms of one or more contracts; provided, that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor shall not be considered to be a basis for suspension;
 - c. Material representation of the composition of the ownership or workforce or business entity certified to the county as a minority business enterprise; or
 - d. Falsification of any documents.
- 5) For violation of the ethical standards set forth in Fulton County Code Chapter 9, Code of Ethics.
- 6) Knowing misrepresentation to the county, of the use which a majority owned contractor intends to make a minority business enterprise (a business entity at least 51 percent of which is owned and controlled by minority persons, as defined in Fulton County Code Chapter 6, Article B, Minority Business Enterprise Affirmative Action Program and certified as such by the County) as a subcontractor or a joint venture partner, in performing work under contract with the County.

SECTION 4

CONTRACT COMPLIANCE REQUIREMENTS

NON-DISCRIMINATION IN CONTRACTING AND PROCUREMENT

Policy Statement: It is the policy of Fulton County Government that discrimination against businesses by reason of the race, color, gender or national origin of the ownership of any such business is prohibited. Furthermore, it is the policy of the Board of Commissioners ("Board") that Fulton County and all vendors and contractors doing business with Fulton County shall provide to all businesses the opportunity to participate in contracting and procurement paid, in whole or in part, with monetary appropriations of the Board. Similarly, it is the policy of the Board that the contracting and procurement practices of Fulton County should not implicate Fulton County as either an active or passive participant in the discriminatory practices engaged in by private contractors seeking to obtain contracts with Fulton County.

Equal Business Opportunity Plan (EBO Plan): In addition to the proposal submission requirements, each vendor must submit an Equal Business Opportunity Plan (EBO Plan) with their bid/proposal. The EBO Plan is designed to enhance the utilization of a particular racial, gender or ethnic group by a bidder/proposer, contractor, or vendor or by Fulton County. The respondent must outline a plan of action to encourage and achieve diversity and equality in the available procurement and contracting opportunities with *this solicitation*.

The EBO Plan must identify and include:

1. Potential opportunities within the scope of work of *this solicitation* that will allow for participation of racial, gender or ethnic groups.
2. Efforts that will be made by the bidder/proposer to encourage and solicit minority and female business utilization in this solicitation.

Fulton County encourages joint ventures, teaming, partnering and mentor-protégé relationships with minority and female businesses in an effort to achieve contracting and procurement diversity.

Prompt Payment: The prime contractor must certify in writing and must document on the Exhibit G Form (Prime Contractor/Subcontractor Utilization Report) that all subcontractors, sub-consultants and suppliers have been promptly paid for work and materials, (less any retainage by the prime contractor prior to receipt of any further progress payments). In the event the prime contractor is unable to pay subcontractors, sub-consultants or suppliers until it has received a progress payment from Fulton County, the prime contractor shall pay all subcontractors, sub-consultants or suppliers funds due from said progress payments within forty-eight (48) hours of receipt of payment from Fulton County. In no event shall a subcontractor, sub-consultant or supplier be paid later than fifteen (15) days as provided for by state law.

In order to be compliant with the intent and provisions of the Fulton County Non-Discrimination in Purchasing and Contracting Ordinance (99-0960), bidders/proposers **must** submit the following completed documents. 6XX Subject Headings

A minimum of one subject heading is required for all nonfiction materials. Two to four subject headings are preferred.

For 600, 610, 611, and 630 fields, follow the instructions for 1XX field to verify and establish these fields. The machine-readable **LC Subject Authority File (LC SAF)** must also be checked.

Verify and include indicators for 600, 610, 611, and 630 fields.

If subfield **\$t, (title)** appears with a 600 field, **delete** any initial articles. Ex.:

600 10 James, Henry. \$t Wings of the dove, **not** The wings of the Dove.

All geographic headings should appear in the 651 0 field. Verify in the **LC NAF and SAF**. Verify that all subdivisions appear in the appropriate subfields:

\$v form subdivision
\$x general subdivision
\$y chronological
\$z geographical

Delete all subject heading fields with second indicators of 1, 2, 3, 4, 5, 6, 8.

Retain subject headings for **all** fiction materials. Second indicator **must** be **0**.

Delete all **\$v Juvenile literature** subdivisions for titles being cataloged for the **adult/young adult collection**.

All large print books must have the following subject heading:

650 0 Large type books.

653 Delete

654 Delete

655 Genre/form subject headings for fiction should be retained if present. The first indicator is blank; the second indicator is 7.

Verify that all subdivisions appear in the appropriate subfields:

\$v form subdivision
\$x general
\$y chronological
\$z geographic
\$2 source of genre heading

656 Delete

657 Delete

700/710/711 Follow instructions for 1XX above to establish these names.

**730 Added
Author**

7XX fields should **always** appear for:

- second and third authors
- first author/contributor mentioned when there are four or more
- editors
- illustrators of children's books or prominently mentioned illustrators of adult belles lettres (e.g. Jane Eyre. Woodcuts by Fritz Eichenberg)

For 730 fields, the first indicator is a filing indicator. (**See 245 field for indicator information**).

Vendor must delete any articles in \$t in the 700 fields. Ex.:

700 12 Forster, E.M. \$t Room with a view.

700 12 Grahame, Kenneth. \$t Wind in the Willows.

**740
Added Entry
Analytical
Title**

Use for analytical title added entries

Use for analytic or related work title that is not controlled through an authority file or another bibliography record

Use for analytical titles of independent works contained within the book. Do not create analytical title added entries for collection of short stories and essay collections. Use 740 02 for any variations of subsequent independent titles.

If more than three works are included in a book, the vendor is responsible for entering the first three analytical title added entries.

Vendor must use appropriate indicators for this field.

**8XX
Series Differ-
ently**

This will generally be an 830 field, with the first indicator blank and the second indicator 0 (zero). There should be no initial articles in an 8XX field. If an 830 field appears in the record, accept the cataloger's decision as to form, as long as the series is not established differently in the **LC NAF** or in the AFPLS database.

800, 810, and 811 fields should almost never occur, but if present, establish the form of the name according to the guidelines listed in the 1XX field.

If \$t is present, delete any initial articles.

856
Electronic
Location and
Access field

Contains information needed to locate and access an electronic resource. If this field is present, **do not delete**. If 538 field is present and field 856 is not, the vendor must add. For additional information concerning the use of this field, see LC's "Guidelines for the use of Field 856" (March 2003) at <http://www.loc.gov/marc/856guide.html>

949
Holdings
Field

Vendor must create 949 holdings record creation fields.

949 fields (**Sirsi generated**) include:

\$a call number
\$v volume or year
\$i item barcode
\$m library
\$l home location
\$t item type
\$x item cat 1
\$z item cat 2

(Information required for subfields m through z will be provided)

CLASSIFICATION

Call numbers are entered in the **099 tag**, following OCLC input instructions. For LC Marc records, change the **082 field to 099** and edit the call number. **Delete any 050, 055, 060 070, 082, 090, and 092 fields present in the record.**

Only 099 should be used for the call number field.

Materials should be cataloged utilizing the **Dewey Decimal Classification Scheme, Edition 22**. Dewey classification numbers should not **exceed 4-6 numbers after the decimal point, with not more than 4 numbers preferred and no breaks within prime.**

Example: 796.352'3 will become 796.3523.

AFPLS cutters consist of the author's full last name, or the first significant word of title main entry. Cutters for **biography** and **criticism** consist of the last name of the **biographee or the last name of the person being critiqued**. **ALL LETTERS IN THE CUTTER SHOULD BE UPPERCASE.**

Example: B STEELE 813.53 WRIGHT

When cataloging large print materials, **LP** should always be entered in the **099** field, **preceding** the call number.

Example: LP \$a FICTION \$a SMITH

AFPLS uses the term **FICTION**, followed by a cutter for the author's last name, as the call number to replace the Dewey numbers for fiction. If the book in hand is a collection of short stories by one author, use **FICTION** as the call number and cutter for the author. Use the **Dewey** number for collection of short stories by multiple authors.

NONFICTION

Dewey classification numbers, as noted above, should not exceed 4-6 numbers after the decimal, with 4 numbers preferred. There are no breaks within prime. The following call number examples should illustrate AFPLS Dewey classification practice. When in doubt, please contact the AFPL project administrator.

082: 7896.352/3

099: 796.3523

082: 629.133/134

099: 629.133 (prefer 4 digits, but prime dictates 3)

082: 222/.11093

099: 222.11093 (no break within prime, accept 5 digits)

082: 796.332/64

099: 796.332 (prefer 4, but prime dictates 3)

082: 813.5/4/09

099: 813.5409

REFERENCE BOOKS

Do not enter the letter **“R”** in the 099 (call number field) for any reference materials. Use the 949 \$a (call number field) for all Reference materials. Follow the same procedures outlined for books when cataloging reference materials.

Example

099 331.702 REEVES

949 \$a R 331.702 REEVES

BIOGRAPHY

1. General:

AFPLS uses “**B**” for all individual biographies and use the **biographee’s full last name as the cutter**. Follow the biographee’s punctuation and spacing for names with prefixes.

099 B O’MALLEY

099 B VAN HELSING

Vendor will use **B** and the biographee’s last name in the **099** if the 082/092 field of the incoming record has **B** or offers a choice of the **Dewey number or B**. **Exceptions follow:**

2. Exceptions:

700s:

If the book in hand offers a choice between the Dewey number and B, choose the **Dewey number** if the individual’s biography is stressed or career and biography receive equal emphasis; otherwise, choose **B** and biographee’s last name.

Example:

Title: The films of Spike Lee

099: 791.43 \$a LEE

Title: The life of Spike Lee

099: B \$a LEE

Title: The life of Katharine Hepburn

099: B \$a HEPBURN

Title: The films of Katharine Hepburn

099: 791.43 HEPBURN

Title: Malcolm A to X: the man and his ideas

099: 818 \$a X

Title: Autobiography of Malcolm X

099: B \$a X

700s - ARTISTS (PAINTERS, SCULPTORS, etc.)

If the incoming record offers a choice of a **Dewey number or B**, vendor will choose the 700 Dewey number and the last name of the **artist**, not the author.

Example:

Title: Matisse, a biographical and critical study
099: 759.4 \$a MATISSE

Title: Cezanne and his art
099: 759.4 CEZANNE

Title: Ken Saro-Wiwa: (a bio-critical study)
099: 823 \$a SARO-WIWA

3. Collective Biographies:

Use the Dewey number for adult/young adult collective biographies.

Use J 920 for Juvenile collective biographies.

BIBLIOGRAPHIES, FILMOGRAPHERS, DISCOGRAPHIES

1. If the book in hand is a bibliography, vendor will use the Dewey subject number, and add 016 to the end of the call number.
2. The entire call number should not exceed six positions past the decimal. If number in the 082/092 field exceeds the sixth position, vendor will change call number field to 099, then carry the call number to the decimal or the first prime.

Example:

082: 016.363/68
099: 363.68016

082: 016.6588
099: 658.8016

082: 016.791/43
099: 791.43016

082: 016.423/2156
099: 423.016

3. If the book in hand is a bibliography, filmography or discography of a specific individual or group, enter the Dewey number and cutter for the last name of the individual or the name of the group.

Example:

Title: Filmography of John Ford
082: 016.791/43
099: 791.43016 \$a FORD

Title: Discography of Michael Jackson
082: 016.789/912
099: 789.912016 \$a JACKSON

Title: Recordings of the Beatles
082: 016.789/912
099: 789.912019 \$a BEATLES

Title: The writings of Richard Wright: a bibliography
082: 016.818/54
099: 818.54016 \$a WRIGHT

CRITICISM OF AN ARTIST OR LITERARY AUTHOR

1. In the 700s and 800s, if a book **is a criticism of the author/artist**, class the book in the Dewey subject number and **cutter for the author/artist.**

Title: Critical review of Ernest Hemingway
082: 813.54
099: 813.54 \$a HEMINGWAY

Title: James Baldwin: a critical study
082: 818.5
099: 818.5 \$a BALDWIN

Title: Clarence Major and his art
082: 700.92
099: 700.92 \$a MAJOR

Title: Focus on Alfred Hitchcock
082: 759.4
099: 759.4 \$a HITCHCOCK

COLLECTIONS OF SHORT STORIES

1. A collection of short stories by more than one author should be classed in the Dewey numbers assigned for short stories, including those displaying a specific subject, type, or scope. Vendor will always cutter for the last name of the author or the first significant word of the title main entry.

Example:

Mystery stories 813.0872

American Western Stories	813.0874
American Science Fiction	813.0876
Stories, General	808.83

2. A collection of stories by the same author should be classed as **FICTION**.

UNIFORM DEWEY NUMBERS FOR CATALOGING AFPL TRAVEL BOOKS

The following call numbers are being provided for the purpose of having AFPLS travel guidebooks classed correctly. The vendor will use these call numbers and if the year is included, it should also be listed in \$v of the 949 holdings field.

The table below is followed by an alphabetical index by country and city names. The general rule is: shortest numbers for continents (which have no decimal places); sub-continental regions, countries, and regions within countries have longer numbers and contain decimal places; cities have the longest numbers. In addition to using this chart to classify site specific travel guidebooks, vendor will use the numbers on this chart to also catalog:

- *bed & breakfast guides (instead of 647);*
- *site-specific guides to hiking, canoeing, etc. (instead of 700s);*
- *amusement park guidebooks (e.g., Walt Disney World) (instead of 791).*
- *guidebooks for specific national parks (e.g. Yellowstone)*
- *site-specific cruise guides (e.g. to the Caribbean)*

1. Introduction

A-FCLS's Integrated Library System loader will use Respondent's incoming data to add or overlay records in A-FCLS's existing database. Incoming data from Respondent(s) must supply correctly encoded data in the MARC record leader.

The following fields are considered as the matching mechanism and must be accurate and consistent:

- Control number (001 tag) For Example : OCLC #
- ISBN/ISSN number
- LCCN number
- Respondent's own assigned ID number (001 tag)

2. MARC catalog records provided by Respondent(s) will fall into two categories:

a. Added copy records

Respondent(s) searches A-FCLS's database and determines that the book in hand exactly matches an existing record in the A-FCLS database. Respondent(s) must supply the nearest equivalent record in Respondent's bibliographic database with the **exact 001 tag** with new holdings record(s) appended in 949 tag(s).

Respondent's bibliographic record must be replaced by (or merged with) the A-FCLS existing record by the System loader.

1. Respondent(s) must match on the alphabetic prefix as well as the numeric portion of 001 tag--vendor identification number. Current 001 alphabetic prefixes in use are: EXAMPLE: 001: OCM135131, BRD00277843, bl2345678000
2. Loader must also match on the ISBN (020) and LCCN (010) fields. Respondent must indicate any additional fields supported for record matching through Respondent's system bibliographic loader.

Respondent(s) must indicate how often LC authority files are received and updated.
3. New catalog records must include 001 tag, OCLC number or vendor identification number for the matching point for SIRSI system loader.
4. Call numbers must be assigned, in the 099 MARC field, according to the Dewey Decimal Classification Scheme, 22nd edition, (and any subsequent published updates).

6. New catalog records must conform fully to the requirements for cataloging.
7. Respondent(s) will be required to maintain an error rate of 2% or less for bibliographic records for the following fields:
 - 010
 - 020
 - 022
 - 028
 - 099
 - 049
 - 1XX
 - 240/245
 - 246
 - 300
 - 600, 650, 651, 655, 690
 - 7XX
 - 949

3. Viewing A-FCLS's database for added copy status

Respondent(s) must be able to view A-FCLS's existing bibliographic database so that the book-in-hand can be matched against the A-FCLS bibliographic database. Books that exactly match an existing record will be treated as added copy books. **Note: A-FCLS can make available to the Respondent SIRSI Unicorn internet client software for doing added copy cataloging. This would allow the**

Respondent(s) to directly interact with the A-FCLS database. This will allow the Respondent(s) to create/add holdings in a very efficient process.

- a. Respondent(s) must be able to access A-FCLS's database for read-only access using World Wide Web.
- b. With permission from the SIRSI Corporation, Respondent(s) may alternatively install and maintain a dedicated line to the SIRSI Corporation host computer and access the A-FCLS database. Respondent(s) proposing this option must indicate in writing that SIRSI Corporation approval has been sought and received and must provide the name of the SIRSI Corporation staff member providing this authorization. Respondent(s) is responsible for the installation, maintenance, update of new release of application software and all costs of this data line.
 - 1. Respondent(s) will be responsible for providing the dedicated port on the SIRSI Corporation host computer.
- c. Respondent(s) will match book-in-hand against the A-FCLS bibliographic database, and insert the exact 001 tag, as it appears in the A-FCLS record, in the Respondent's bibliographic record, to insure record overlay by the bibliographic loader.
 - 1. Respondent(s) will be required to maintain error rate of 2% or less for duplicate bibliographic records added to the A-FCLS SIRSI database.
 - 2. Duplicate bibliographic records will be said to occur when the Respondent(s) adds a bibliographic record to the A-FCLS database that matches an existing bibliographic record that was created at least two weeks prior to the creation the bibliographic record.
 - 3. Duplicate records resulting from Respondent(s) error will be said to occur when the Respondent(s) fails to return the appropriate 001 tag, exactly as it appears on the existing bibliographic record, for accurate loader matching.
 - 4. Duplicate record creation errors will be provided to the vendor as they occur and will be used to determine the Respondent's error rate.
 - 5. After 45 days from date of contract signing, Respondent(s) will be contractually required to credit A-FCLS for one third the shelf-ready cost of each affected item for all duplicate catalog record creation errors in excess of 2% of the number sampled. This credit

will reimburse Fulton County for its efforts in correcting the work of the Respondent(s).

4. Downloading Records to A-FCLS's Computer Center

- a.** Respondent(s) must be able to connect to A-FCLS database at the time of the contract to deliver MARC records to A-FCLS via FTP or internet.
- b.** Data must arrive at A-FCLS at least twice a week, and must arrive at A-FCLS not less than 24 hours prior to receipt by A-FCLS of the items ordered.
- c.** Respondent(s) must provide with each data shipment a report counting the number of bibliographic records and the total number of holdings records, by agency, included in the shipment.
 - 1.** Purchase order number(s) or other link to the book order(s) must be referenced on the report.
- d.** Each data shipment must provide all bibliographic and holdings creation fields for a complete order shipment so that books are not received for which there are no records, and records are not received for which there are no corresponding books.

5. Holdings Records

- a.** Respondent(s) must create 949 holdings record creation fields utilizing the correct formats and codes for agency, location, call number, item type, item category1, etc.
 - 1.** Respondent(s) must explain how Respondent's system will maintain and validate A-FCLS 949 codes, including the A-FCLS barcode.
- b.** Respondent(s) will be required to maintain an error rate of 2% or less for item records, in the following areas:
 - **agency, location, item type: correctly spelled and formatted code used;**
 - **agency, location, item type: represents the correct book medium and the actual agency and location for which book was ordered;**
 - **call number, volume/part: correctly formatted;**
 - **call number, volume/part: reflects book-in-hand and relevant information in bibliographic 099 field.**

- c.** A semiannual accounting of all holdings record creation errors will be provided to the Respondent and will be used to determine the Respondent's error rate.
- d.** After 45 days from date of contract signing, Respondent(s) will be contractually required to credit A-FCLS for one third the shelf-ready cost of each affected item for all holdings record errors in excess of 2% of the number sampled. This credit will reimburse Fulton County for its efforts in correcting the work of the Respondent(s).
- e.** Changing A-FCLS needs may result in changes to holdings record codes. These changes must be fully implemented by the Respondent(s) within 30 days of written notification of change from A-FCLS.
- f.** New Titles/OCLC Holdings, Respondent(s) must transmit new titles added to the A-FCLS database to OCLC for loading into the OCLC system to set A-FCLS's holdings symbol (GAP).
